

TANEX start-up

Ready to use-spot remover

- Powerful ■ Efficient & economic ■ Versatile application

Product profile

- TANEX start-up is versatilely applicable and removes stains on all non-porous and washable surfaces.
- Due to its high efficiency, TANEX start-up removes even the most persistent soiling.
- TANEX start-up is easy to use and pleasant in application due to its foam spray that reduces fogging.
- TANEX start-up is especially gentle to resistant materials and leaves a pleasant and original scent of natural orange oil.
- The material friendly multi-purpose cleaner can also be used to renovate dirty plastics.

Area of application

- The versatile spot remover is suitable for all alkaline resistant and washable surfaces such as tables, walls, tiles, whiteboards etc. TANEX start-up removes marker pen, ink, ink killer, black marks, felt, rubber soles, yellow nicotine stains as well as heel marks. Can be used as a pre-wash spray in order to treat spots.
